OUR FEES

Legal fees are determined on the basis of hourly rates that often reflect the complexity and duration of the specific matter as well as the seniority of the legal practitioner(s) involved. Our legal fees are set out in terms of the Law Society of Zimbabwe Tariff, as amended from time to time. Whilst legal fees are generally considered expensive we are flexible in determining our legal fees and we are open to capped fees or flat fee arrangements. For more information regarding legal fees kindly contact our office.

Please note that we discuss legal fees before/upon receipt of instructions of a specific matter.
